***Moving through the opposite line:** On the two walks fwd, walk through the gap in front of you and continue to move fwd with the lock step.*

THE PROPOSAL TAG

During the 6th sequence; dance up to count 8 and add the following:

Note: The music will slow down. Everyone will complete the same footwork in the tag. The only difference will be that one will propose and the other will raise their hand to accept the ring.

If the line started the dance (from the beginning) facing 12:00, they will complete the following on the lyrics:

Slow Jazz Box, Step Forward

Cross R over L (WANT), Step L back (TO), step R to R side (GET), step L fwd (ON), step R fwd (KNEE) with a slight lunge fwd as you "propose" to the opposite line.

If the line started the dance (from the beginning) facing 6:00, they will complete the following:

Slow Jazz Box, Step Forward

Cross R over L (WANT), Step L back (TO), step R to R side (GET), step L fwd (ON), step R fwd (KNEE) as you raise left hand at shoulder height towards the opposite line to accept the ring.

Everyone will continue to hold. You will hear the count "1,2,3,4", continue to hold until the word "WAIT!". This is when you close R foot beside L on count 5. Wait/ hold on counts 6,7,8 and then commence the dance from the beginning on the word "married".

Ending: Complete the first 8 counts of the dance and step R to R side as you throw both hands in the air!
